*"Our family would like to thank you. My daughter, who has profound multiple, physical and learning disabilities had an amazing time; ringside seats; arms flapping, wheelchair rocking in delight!"*

*"The show you put on this year was out of this world ...Thank you for being an important part in my son's life and development without even knowing it."*

*"Since losing our son, we rarely all go out together for pleasure. Knowing we can take positives from laughing together, being absorbed in a new experience and making new memories is important."*

**"This kind of show sparks their imagination and they can escape their normal lives."**

Dear Jo,

On behalf of NSPCC Cymru Wales I am writing to thank you and through you, local sponsors of Circus Starr, who provided tickets for the recent show last weekend.

This is a wonderful opportunity for children and young people to forget their worries, to have some fun and enjoy an action packed programme, which they loved!

Please convey my sincere thanks to everyone involved and to the artistes of Circus Starr who were amazing!

Thank you again for making this possible. Your on-going support is greatly appreciated and valued.
