

Thank you!

You made a real difference to the lives of some amazing children in your community

Your donation creates a memory that lasts a lifetime!

circus-starr.org.uk

Dear Supporter,

It's moving to see the smiles, wonder and roars of laughter your support brings to the children who come to see Circus Starr.

Every child, whatever their needs or background, is free to be themselves at the shows – move to the music, shout out in delight or appear centre stage!

Your gift gives children a one-of-a-kind sensory experience full of energy, magic and spectacle that never leaves them.

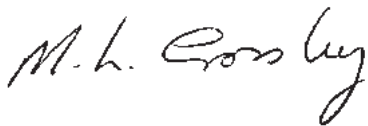

The lure of the circus brings together the most overlooked groups and hardest to reach families in your community. Your donation gives a child a welcome escape from endless hospital appointments; or an inviting space for a child and their new carer to bond; or a friendly place for an autistic child making the first tentative step to trying new experiences.

You help to create a world where the impossible is possible with spell-binding acts to inspire a lifelong love of the arts and nurture creative potential yet to be realised.

Your generosity restores hope, joy and magic to some amazing children and their families who often miss out on live arts events.

We would like to say a big “thank you”. You have made the world a better place for local children coping with many of life’s challenges, because being happy and having fun is not a privilege, it’s a right for every child.

Yours sincerely,

Michelle Crossley
Director, Circus Starr
