All the children and families loved it! We all got ring side seats which was great. Robert the Ringmaster and all the circus staff were extremely helpful and friendly. Thank you for making our group so welcome!

Dear Sir/Madam

May I take this opportunity to thank you on behalf of the families in our community for your generous donations to the Circus Starr Big Top Show. Some families live in the second most deprived area within Doncaster Local Authority in relation to families with young children and from your generosity they were able to enjoy 'time out' to do something special with each other and as a family, that they would not normally be able to afford to do.

Comments made by the parents, carers and children were, "It was great to hear him laugh out loud!" One parent of a five year old boy who has hearing aids said that her son's face was a pleasure to see and he shouted "Wow! That was awesome!! Can we come again tomorrow?"
